

Providing security to working people with a full suite of cost-effective insurance solutions

Since its inception in 1934, Amalgamated Life Insurance Company has been dedicated to meeting the needs of working men and women. Through a host of insurance solutions, the company provides hard-working Americans with vital protection and security. Our market-responsive insurance solutions are designed to provide excellent coverage at an excellent value. We provide experience-rated contracts to satisfy different age groups and demographics and back our policies with outstanding, proactive customer service.

From the outset, Amalgamated Life demonstrates why it is a resource of choice. After a thorough review of your current benefits, we help design a program that is best suited for your employees and members. Then, there is an ongoing commitment to ensure that you gain the greatest benefit from our products. You will find that our trained and courteous representatives speak many different languages reflecting our nation's multiculturalism. These knowledgeable professionals effectively respond to our customers' and policy holders' inquiries with timely and accurate information. There are no questions left unanswered.

Our proven policies and procedures and adherence to the highest standards have earned Amalgamated Life the "A" (Excellent) Rating from A.M. Best Company consistently for over four decades. The rating attests to Amalgamated Life's financially strong condition and excellent claims-paying ability.
